Mission Statement

To protect the air, water, land, animals, and all the people.

Scope:

Assist communities and individuals confronting pollution problems.
Review pollution permits proposed by government agencies.
Encourage improved diets and exercise.
Promote energy conservation and efficiency.
Advise government and the judiciary as needed.

Current Work:

- Repeal Minnesota Statute 144.145 that mandates fluoridation of public drinking water.
 - Promoting the "Money Plan" to build roads and bridges with no taxes or borrowing.
 - Supporting the Rocky Mountain Institute's "Reinventing Fire" energy proposal.
- Planting of milkweed to provide food for the Monarch butterflies.
- Assisting energy conservation and efficiency in all buildings and factories.
 - Promoting the Buteyko breathing method to help asthmatics.
-
- Opposing sales of high fructose corn syrup to children in schools.
 - Endorsing spay or neuter of cats and dogs.
 - Ban the cruel and vicious leghold trap.
 - Opposing landmines world-wide.

IF YOU ARE EVER GOING TO DO SOMETHING - DO IT NOW!
Call Leslie at 612-529-5253

*"I passionately believe that the perceptive few
who have the opportunity to see the ultimate disaster ahead
must band together now to warn the slumbering many.
Such corrective measures as exist, must be put into effect immediately."
Jacques Cousteau - Global Explorer*
